Self-motivated and goal-oriented individual with a passion for data analysis and machine learning, committed to continuous learning and achieving excellence.

EDUCATION

Institute of Engineering and Science, IPS Academy
B. Tech in Computer Science Engineering
CGPA (till 6th semester): 9.69 / 10

Indore, M.P.
2021-25

New Golden Higher Secondary School
Senior Secondary (12th) (State Board)
Percentage: 92.6%
High School (10th) (State Board)
Percentage: 94.8%

Indore, M.P.
Year of Completion: 2021
Year of Completion: 2019

EXPERIENCE

The Modern Data Company
Data Analyst Intern

Hyderabad, Telangana
May 15, 2024 – June 15, 2024

- Worked on sample database designs, focusing on creating scalable and efficient schemas.
- Solved SQL-based problems, optimizing queries for performance and accuracy.
- Studied and documented the foundational concepts of data warehousing, including ETL pipelines, dimensional modelling, and schema optimization.

ACADEMIC PROJECTS

SurveilAI

August, 2024 – November, 2024

- Developed a real-time crime detection system using machine learning to analyse video feeds.
- Integrated alert notifications and incident logging for effective monitoring and reporting.

CineSense: An OTT clone

August, 2023 – November, 2023

- Built a sentiment analysis platform for movie reviews using Flask framework.
- Implemented features for analysing user reviews to provide insights on movie sentiments.

Airplane Ticket Booking Web Application

May, 2023 – June, 2023

- Designed a responsive and dynamic ticket booking system using Java technologies.
- Incorporated user-friendly features to streamline booking and payment processes.

COURSES & CERTIFICATIONS

AWS Academy Cloud Foundations

May 2024 – August 2024

- Completed a comprehensive introduction to AWS cloud services, including EC2, S3, and IAM, with hands-on labs. Gained foundational knowledge in cloud computing, security, and networking concepts.

Computer Vision (CV) Builder

January 2024 – February 2024

- Completed a program offered by FITT, IIT Delhi, focusing on Machine Learning (ML) and Artificial Intelligence (AI) with practical applications.

ADDITIONAL

Soft Skills: Adaptability, Critical thinking, Documentation, Project Management

Technical Skills: Intermediate in Python, Proficient in Machine Learning Algorithms, Data Analysis, Data Visualization, Problem Solving

Languages: Hindi, English

Hobbies: Drawing and gardening, finding joy and creativity in artistic expression, and nurturing green spaces.

Other Certification & training: Java Training from basic to advance, Basics of R
